

Don't miss the upcoming *Smuggler's Bash*, the traditional Opening Day event for the VSC!

We hold our opening day event the week after our other area clubs celebrate their opening days, so boaters from all clubs can participate in our “renegade” style Opening Day celebration. It’s a “different” sort of opening day – no blue blazers or white trousers required, we just sail out to Smuggler’s Cove at Santa Cruz Island to have a good time!

This year’s Bash will be held the weekend of April 2nd and 3rd at, of course, Smuggler’s anchorage on Santa Cruz Island. The Opening Day festivities will begin as participants arrive on Saturday, with a Captain’s meeting for the Race called for sundown. The traditional race format for Sunday will include a man-overboard recovery at the start, with the finish at the Mandalay Buoy.

All boats welcome to the Bash and Race...See you on the water!
